

Privacy Policy “Himachal Pradesh Irrigation and Public Health” Mobile App

National Informatics Centre, Himachal Pradesh has Developed “Himachal Pradesh Irrigation and Public Health” Mobile App for Jal Shakti Department, Himachal Pradesh. The application is to be used by Jal Shakti Vibhag Employees only. The application is used for uploading the information related to measurement book (MB) of various works being executed by the department under different schemes. The app allows the JEs to download their work data and then visit the work site to fill up MB data in offline mode for further uploading into the Works MIS software. The app is available on Play Store free of cost.

Permission used by this App:

App uses the following permissions of user’s device:

Camera: The app uses device camera to capture the image of work.

Data Retention Policy, Managing Your Information

The app does not capture any user information although the works related MB data is integral part of the Works MIS and data retention is as per required Departmental needs. The local app settings can be changed or removed by the user as per requirement. So as no data is captured by the app so do not need any Data Retention or Management Policy.

Misuse by Non-Targeted Users

Mobile App is meant for use by the targeted audience only. Misuse by non-targeted users should be prevented by owner of the mobile device.

Changes

This Privacy Policy may be updated from time to time to include or deleted any content as per latest requirements. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

Your Consent

By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us.

Contact us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at [iph-hp\[at\]nic\[dot\]in](mailto:iph-hp@nic.in)
